

Cape Fear Flyers Scholarship Program

The Cape Fear Flyers may grant registration fee scholarships to children who without this financial assistance would not be able to participate in one of the Cape Fear Flyers programs. The Cape Fear Flyers scholarship program focuses on providing opportunities for area youth to participate in team running sports because of the physical, mental, and character-training benefits these programs can provide. Scholarships are only available to cover the cost of registration for Track and Field and Cross Country teams and are not available to cover any additional costs (uniforms, equipment, tournaments, etc.).

Scholarship requests must be submitted to the Cape Fear Flyers no later than two (2) weeks prior to the regular registration deadline. Scholarships will not be awarded until one week prior to the registration deadline. The scholarship committee, which includes the Cape Fear Flyers President, the Scholarship Administrator and one other Cape Fear Flyer Board Member, will consider all complete applications received by the application deadline. The amount of the scholarship awarded (if any) may be a partial or full scholarship depending on the number applicants, and amount of scholarship funds available. Scholarships are awarded for one sport per registrant and are only valued for one sport at a time, therefore, individuals registrants must reapply for each sport and year they are requesting assistance.

Cape Fear Flyers is a non-profit organization with a very limited amount of funding available for scholarship athletes. No guarantee of assistance is implied in this application. If the number of applications submitted and approved exceeds the amount available; the scholarships shall be awarded by a lottery system.
